Procedure

Submitting the application

Within eight days from the transfer or the change in storage, the sport shooter must report, in writing, to the relevant police department of the location of the storage facility, the transfer of his/her firearm for sport shooting and his ammunition, as well as the change of storage by submitting the certificate issued by the association that stores them; the certificate must contain as follows: the data of the firearm as prescribed in G. d., the identification data of the ammunition, the location of the storage facility, and the estimated time of storage. The report must be filled in for each weapon.

Costs and expenses of the procedure

The procedure is free of charge.

Attachments to be added to the application submitted in pdf files

- a private document providing full evidence on the transfer between the transferring person(s) and the recipient association

Processing the application

If the customer has submitted his/her report to the relevant authority, and furthermore, if the customer, upon the request made by the authority, has provided the original copy of the private document providing full evidence on the transfer of the firearm(s), the licencing authority will issue the recipient association and the person submitting the application (applicant) a certificate on the transfer. The electronically generated and authenticated certificate shall then be sent to the association and the applicant. During the procedure a personal appearance is not required to receive the certificate.
