Processing the application

If during processing the application it is established that the entitled applicant has submitted the complete application to the authority having appropriate jurisdiction, or the applicant has complied with the request for correction or amendment, the storage facility, upon the inspection carried out on site, meets the requirements set in G. d., and that furthermore, there are no reasons set in Arms Act that may exclude granting the licence, the authority shall grant, in a form of a decision, a licence to possess firearms. The authority shall issue a licence to possess firearms (licence), which is valid for 5 years. Upon application, the validity of the licence can be prolonged for additional 5 years if the licence holder submits his/her application 30 days prior to expiry.

The licence to possess firearms for personal and property protection and the official card evidencing the licence (document/card) can be collected by the licence holder in person via their authorised trade representative from the licensing police authority during business hours.

In the case of exchange or replacement of the license, the new license may also be received personally by the licensee through its commercial agent. At the same time as the new license is received, the license to be replaced must be submitted to the authority.
