IN-100103	Response to a police request to an economic organization

This information is effective as of 28 April , 2021.

Legislation relating to the procedure:

1. Act II. of 2012 on infringements, the infringement procedure and the infringement registration system. http://njt.hu/cgi_bin/njt_doc.cgi?docid=143166

Procedural order:

Under the law, the infringement authority in infringement proceedings for serious traffic offenses and other traffic offenses in order to establish the identity of the perpetrator and to clarify the facts can contact a state and local government body, authority, public body, business organization and non-governmental organization if the assessment of the case requires data that is in the possession of another authority, other state, local government body, public body, economic organization and non-governmental organization. A time limit of at least eight days and a maximum of thirty days may be set for the execution of the request.

Submit a response to a request

The response to the request will be sent to the authority dealing with the case. Electronic attachments may be attached to the submission.

Processing a response to a request

The content of the response to the request shall be taken into account in the decision of the competent authority.

There is usually no need for a personal appearance during the assessment of the application.
