#### Procedural order

##### Notifying of the activity

According to the provisions of the Government Decree, the activity carried out by a retailer of veterinary medicines, a veterinary institute, a plant employing a veterinarian, a zoo, a wildlife park and a private veterinarian of using medicines containing agents qualified as drugs or psychotropic substances listed on the K1, K2 and P2 lists of the Government Decree, shall notify the National Police Headquarters at least 30 days prior to commencement. The content of the notification are defined in the Gov.dec. The voluntary attachment of the copy of the operating licence (s) significantly shortens the administrative timescale.

A veterinary establishment is a veterinary hospital, a veterinary clinic, a veterinary consulting room, and a veterinary health laboratory. The retailer of veterinary medicines is the person

licensed by the county (metropolitan) veterinary and food control station or legal successor of the place of distribution, or by the local retailer licensed by the local government registrar or in Budapest, in the place of retail activity. A veterinarian who performs a private veterinarian activity without operating a veterinary establishment qualifies as a private veterinarian. In accordance with the Government decree, a medicinal product for human use and other medicines under the Act on the amendment of the medicines Act, as well as the veterinary medicinal products under the Act of food chain and its surveillance authority, qualifies as a medicine.

The police shall be informed within 8 days of a change in the data registered in the official certificate valid until the date of the withdrawal and of the cancellation of the activity in writing,

**The procedure is free of charge.**

#### **Processing the notification**

If, during the processing of the notification, it is established that the eligible customer has submitted the full application and the conditions of registration exist, the authority shall issue an official certificate within 15 days. The electronically issued and authenticated decision shall be sent by the Police to the applicant.
