If the applicant has submitted a fully completed application to the relevant and competent authority, or if necessary, has complied with the authority's request for supplying missing items; an inspection thereof has found that the storage place of the firearm conforms to the requirements laid down in the G.d.; furthermore, there are no circumstances concerning the

applicant that – according to the Arms Act – rule out the authorisation, the authority shall issue a simplified decision authorising the possession of a firearm for self-defence or in a case of the extension of the licence the authority shall inform the client in writing or verbally. For the issuance of firearms license for self-defense, proof of the official permit existence, to extend the validity of a firearms permit for self-defense purposes, as well as the registration of a piece of firearm in the official permit personal appearance of the applicant is required during customer reception hours.

When authorizing the holding of a silencer for veterinary purposes, the acting police authority shall issue a permit in the form of a simplified decision to obtain the silencer. The licensee is obliged to present the device to the authority for the purpose of registration in the license within the time limit specified in the Kr. After the purchase of the silencer. The authority also authorizes the holding of the silencer by a simplified decision, which is valid until revoked. The electronically authenticated and issued licensing decision is sent by the Police to the client submitting the application. No personal appearance is required during the procedure to receive the permit.

The authorised person can collect the licence or an extension of the licence for the extension of a licence for holding firearms for self-defence and an official certificate of the possession of the licence in person, during opening hours.

The exchange/replacement of an official firearms licence is receivable in person during customer reception hours.
